

BRITISH VALUES

Rule of Law

We have agreed rules, expectations and conflict resolution strategies. We teach about laws, authorities, fairness, justice and the importance of democracy. We also work closely with community police.

Individual Liberty

We have a strong anti-bullying culture and highlight the importance of personal responsibility. We teach about human rights and how to explore personal identity and beliefs. We provide opportunities to develop self-esteem and confidence as individuals.

Democracy

Our elected students sit at the heart of our decision making. We teach the importance of freedom of speech.

Mutual Respect & Tolerance

We will always challenge prejudice or discriminatory behaviour. We discuss and appreciate the differences between people including faith, gender, ethnicity, sexuality and disability, and teach how people may choose to express these differences.
