Admissions will inform prospective students, at the earliest opportunity, of any significant changes to a programme made between the time the offer of a place is made and enrolment is completed and advise them of the options available in these circumstances. ## **3. Introduction and Purpose**

- 3.1 All applicants are considered for admission on the basis of educational performance and/or professional experience that provides evidence of ability to meet the demands of the chosen course. In addition to academic qualifications the college will consider whether the applicant is suitably motivated to successfully complete their chosen course. The college considers the application, interview and any additional supporting information.
- 3.2 The college is committed to providing accurate and appropriate pre-entry information to support prospective students in order to ensure that they are able to make an informed decision regarding their application. The college's website and any printed publications provide clear information and guidance on all academic entry requirements and where appropriate, desirable experience.
- 3.3 The admissions process for all courses commences when the college has received a completed application form. Applications are made via the college website [www.uspcollege.ac.uk](http://www.uspcollege.ac.uk).
- 3.4 The college welcomes applications from students with additional needs. Applicants who indicate that they have learning difficulties and/or disabilities are contacted to arrange an interview with a specialist from the Additional Learning Support team to discuss needs and agree the support required.
- 3.5 Where candidates with learning difficulties and/or disabilities apply for a place on specialist supported courses the Foundation Learning team will assess additional support needs as part of their assessment and interview process.
- 3.6 Applicants who are under 16 years can only access provision at the college if they are referred and financially supported by the Local Authority or their School. These applications must be

approved by the Executive Director Information Systems and Funding and communicated to the Head of Facilities & Estates and to the Assistant Principal Student Experience.

- 3.7 The college will administer Disclosure and Barring Service (DBS) checks for applicants to courses where there is contact with children or vulnerable adults ensuring compliance. The outcome of this process will be taken into consideration when making an admission decision.
- 3.8 Where an applicant has a relevant unspent criminal conviction, the college will take steps to ensure the safety of the student and all users of the college. This may involve an inclusive risk assessment process which is designed to protect students and staff at the college whilst leaving scope for those with criminal convictions to continue their education. As a result of this the college reserves the right to refuse admission to applicants who are deemed high risk.

USP College is committed to equality of opportunity. The aim is to create an environment in which people treat each other with mutual respect, regardless of: age, disability, family responsibility, marital status, race, colour, ethnicity, nationality, religion or belief, gender, gender identity, transgender, sexual orientation, trade union activity or unrelated criminal convictions.

The word 'policy' is taken to include strategies, policies, procedures and guidance notes; both formal and informal, internal and external.

- c. **Some Impact** – Where a policy might disadvantage any of the protected characteristics groups to some extent. This disadvantage may be also differential in the sense that where the negative impact on one particular group of individuals with protected characteristic is likely to be greater than on another.
- d. **Substantial Impact** – Where you think that the policy could have a negative impact on any or all of the protected characteristics. - h. Will the policy deliver practical benefits for certain groups?
- i. Does the policy miss opportunities to advance equality of opportunity and foster good understanding/relationships between groups?
